

## Lab Technician

Applications are required for consideration for this position. Resume submission alone is not an application for a position. An individual must complete our standard application form and provide college transcripts to show they meet the requirements of the posted position. Resumes are accepted with applications. Applications received after the deadline will not be considered.

There is an opening for a Lab Technician at Genesee County Water and Waste Services in Flint.

This candidate will collect samples and conduct laboratory tests on raw, primary and final stage sewage, and on plant processes. Performs related laboratory and operational analysis.

Applicants must meet the following minimum qualifications to be considered for an interview:

- Graduation from a high school or equivalent G.E.D.
- Twelve (12) hours of college chemistry and four (4) hours of college algebra.
- Must have a valid Michigan driver's license.
- One year experience in a laboratory setting.
- Must be able to lift fifty (50) pounds.
- Must be able to work in confined spaces and outdoors under varying climatic conditions.
- Must be able to walk over rough terrain and climb ladders and stairs.
- May be asked to work every other weekend and/or combination of two weekends per month due to vacations and sickness.

Applications are mailed to:

Genesee County Water and Waste Service, G-4610 Beecher Rd, Flint, MI 48532.

Applications can be emailed to: [hr@gcdcwws.com](mailto:hr@gcdcwws.com)

**Applicants must provide proof of minimum qualifications**

Applications must either accompany or follow resume submission.

Position will be posted until filled.

NO PHONE CALLS. EEO
